SUMMARY

Graphic designer and marketing analyst with 5+ years of hands-on experience across apparel and jewelry brands, backed by a marketing degree that shapes how I read a brief. I take a piece from concept to final artwork — a garment, a social campaign, a product shoot — and I hold brand consistency across everything I deliver. Comfortable moving between print and digital, and used to working alongside production and marketing teams so every deliverable meets the goal behind it.

PROFESSIONAL EXPERIENCE

Marketing Analyst — Bel Studios

2023 – 2026 | Toronto, ON, Canada

- Contributed to marketing strategies and campaigns aimed at strengthening brand presence and efficiency.
- Coordinated cross-functional teams to keep campaign assets, messaging and deadlines aligned.
- Tracked campaign performance in Google Analytics and converted the data into actionable insights.
- Built reports and dashboards in Excel/Google Sheets to support decision-making and continuous process improvement.

Graphic Designer — Augusta SportWear Brands

2020 – 2022 | Merida, Yucatan, Mexico

- Interpreted and executed clients' technical specifications, translating briefs into finished apparel designs.
- Iterated on artwork based on direct client feedback until each piece matched the approved concept.
- Prepared final production-ready files, collaborating closely with the Production team so artwork met manufacturing requirements.
- Ensured brand consistency and compliance with client specifications on every delivery.

Community Manager, Content Creator & Product Photographer — Joyerati MX

2019 – 2020 | Merida, Yucatan, Mexico

- Designed social media and campaign graphics with Adobe Creative Cloud, keeping a consistent visual identity across the brand's channels.
- Produced and edited product photography for catalog and brand campaigns.
- Managed the brand's day-to-day social media presence, from asset creation to publishing.
- Tracked reach and engagement metrics to guide content and creative decisions.
